@bopopenstudios

Kia ora and Welcome to the 2025 BOP Open Studios Art Trail

Over three inspiring days, more than 70 of the Bay of Plenty's top artists open their studio doors and invite you in. This is your chance to step inside their creative worlds, to meet the makers, see their work up close, hear what sparks their imagination, and maybe even take home something truly special.

From Waihi Beach to Te Puke, the trail is rich with discovery. Painting, jewellery, ceramics, sculpture and more. The variety and quality of art across our region will leave you inspired.

Entry is free, so bring a friend, plan your route, and make a day (or a whole weekend) of exploring art in the Bay.

Starting Point Gallery 43

At The Collective (stop 43) we showcase a work from each participating artist. A great space to go for inspiration on which studios to visit.

Someone here can even help you plan your trip.

This runs from November 17th - 23rd to allow you more time to plan and soak in the art.

The Collective - 145 17th Avenue, Tauranga South, 3112

How to use this map

Use this printed map alongside our website

www.bopopenstudios.co.nz

Online you'll find artist profiles, studio images, parking details, accessibility notes, and the most up-to-date trail information.

Keep your eyes peeled for our flags!

Every participating studio will have one of our brightly coloured flags outside. This is your sign that you've found the right place.

A few quick tips to help you enjoy the trail:

- **Starting the trail:** The stops on the trail have been numbered 1 - 73 to make it as easy as possible to follow. Feel free to start wherever you like, but if you start at number 1, you will notice there is a simple flow through the trail.
- **Plan Ahead:** Check your route and keep an eye out for any traffic or roadworks along the way.
- **Park Considerately:** Each studio has its own parking details, which you'll find on our website under their bio.
- **Take a Break:** Many stops are near great cafés and restaurants, and some studios even offer refreshments themselves.
- **Connect with Artists:** Follow your favourites on social media or sign up to their mailing lists to keep the inspiration going.
- **Stay in the Loop:** Follow us on Facebook and Instagram [@bopopenstudios](https://www.instagram.com/bopopenstudios) for updates. We'd love to see your photos and videos, so don't forget to tag us during the trail!
- **Be Prepared:** Pack a raincoat, just in case.

Most importantly, relax, explore, and enjoy yourself!
